To Whom It May Concern:

I am writing this letter of recommendation for services that were provided to the State of Nevada by NNE Construction, Inc.

We have worked with NNE for the past eight years on various projects. They have helped us with site construction, radio alignment and road work. Their work has always been satisfactorily performed and of exceptional quality. If issues were encountered, NNE was always willing to work with us to resolve them in a timely manner.

Rich Williams and his staff have always presented themselves in a professional way.

Sincerely,

Ken Ballew
State of Nevada
Network Transport Services Supervisor
